**Notes.**

1. The Logic Seminar talks will be given on February 24, March 24, April 21, May 19, 2026.
2. Lecture rooms NB1, NB3 are located in the new building, lecture room E in the Library building and Goudarouli room in the old building (of the HPS Department).
3. The Lambridis Philosophical Library of the Academy of Athens is located at 9, Ipsilantou Street, 10675 Athens.
4. In relation to course ML1. Proof Theory, Friday's slot will be activated first and, in due course, the second slot will be activated, replacing the first.
5. For practical reasons, the lectures of course HPL2. Topics in History of Ancient and Medieval Logic will take place 11.30-14.30 and those of course L3. Computability will take place 15.30-18.30.
6. The lectures of courses ML5. Topics in Logic II and L6. Model Theory will start on March 2 (February 23 is Shrove Monday).
